Subject: Removal Response Activities - Project Coordinator Designation for Occidental Chemical Corporation

Carol,

Thank you for the letter designating a Project Coordinator for Occidental Chemical Corporation under Paragraph 18 of the Unilateral Administrative Order, CERCLA 02-2012-2020.. I apologize for EPA's oversight in failing to provide email addresses in Paragraph 33 of the UAO. However, you correctly surmised that it would be appropriate to email the notice to Stephanie Vaughn, as the Remedial Project Manager and Project Coordinator, and to me, as the attorney named in Paragraph 67.

EPA has yet to designate an OSC for the RM 10.9 removal action, so for the moment, as far as EPA is concerned it is sufficient to direct notices and other documents to Stephanie and me. We will get back to you with a name and email address for NJDEP's representative as soon as we can.

-Sarah

Subject: : Removal Response Activities - Project Coordinator Designation for Occidental Chemical Corporation

Dear Ms. Vaughn and Ms. Flanagan,

Please find attached our letter on behalf of Occidental Chemical Corporation and Tierra Solutions, Inc. designating the Project Coordinator for CERCLA Docket No. 2-2012-2020. We are unable to send electronic notice to the OSC or the NJDEP Project Manager because the UAO does not identify those persons nor provide their email addresses. If you wish to provide them, I'll forward this message to them

as well. Please let me know if you have any questions.

Thank you,
Carol Dinkins
